Material Aspects:

Two Sigma Securities, LLC:

For the quarter, TradeStation arranged with Two Sigma Securities, LLC for a cash payment of \$0.0026 per share for marketable orders and \$0.0030 per share for non-marketable orders. This payment arrangement applies for shares priced above \$1.00 per share. TradeStation established the same per share rate, based on order type, with all non-exchange routing venues to which it routed orders.

TradeStation's arrangement with Two Sigma Securities, LLC is not based, in any respect, on volume thresholds.

Execution quality and price improvement opportunities are influenced by a number of factors, including but not limited to, payment for order flow, market volatility, market volume, economic factors and the firm's mix of symbols traded.

Virtu Americas, LLC:

For the quarter, TradeStation arranged with Virtu Americas, LLC for a cash payment of \$0.0026 per share for marketable orders and \$0.0030 per share for non-marketable orders. This payment arrangement applies for shares priced above \$1.00 per share. TradeStation established the same per share rate, based on order type, with all non-exchange routing venues to which it routed orders.

TradeStation's arrangement with Virtu Americas, LLC is not based, in any respect, on volume thresholds.

Execution quality and price improvement opportunities are influenced by a number of factors, including but not limited to, payment for order flow, market volatility, market volume, economic factors and the firm's mix of symbols traded.

Jane Street Capital:

For the quarter, TradeStation arranged with Jane Street Capital for a cash payment of \$0.0026 per share for marketable orders and \$0.0030 per share for non-marketable orders. This payment arrangement applies for shares priced above \$1.00 per share. TradeStation established the same per share rate, based on order type, with all non-exchange routing venues to which it routed orders.

TradeStation's arrangement with Jane Street Capital is not based, in any respect, on volume thresholds.

Execution quality and price improvement opportunities are influenced by a number of factors, including but not limited to, payment for order flow, market volatility, market volume, economic factors and the firm's mix of symbols traded.

UBS Securities, LLC:

For the quarter, TradeStation arranged with UBS Securities, LLC for a cash payment of \$0.0026 per share for marketable orders and \$0.0030 per share for non-marketable orders. This payment arrangement applies for shares priced above \$1.00 per share. TradeStation established the same per share rate, based on order type, with all non-exchange routing venues to which it routed orders.

TradeStation's arrangement with UBS Securities, LLC is not based, in any respect, on volume thresholds.

Execution quality and price improvement opportunities are influenced by a number of factors, including but not limited to, payment for order flow, market volatility, market volume, economic factors and the firm's mix of symbols traded.

Citadel Securities, LLC:

For the quarter, TradeStation arranged with Citadel Securities, LLC for a cash payment of \$0.0026 per share for marketable orders and \$0.0030 per share for non-marketable orders. This payment arrangement applies for shares priced above \$1.00 per share. TradeStation established the same per share rate, based on order type, with all non-exchange routing venues to which it routed orders.

TradeStation's arrangement with Citadel Securities, LLC is not based, in any respect, on volume thresholds.

Execution quality and price improvement opportunities are influenced by a number of factors, including but not limited to, payment for order flow, market volatility, market volume, economic factors and the firm's mix of symbols traded.

The Nasdaq Stock Market:

TradeStation receives a rebate or is charged a fee for order flow on a per share basis. The per share rebate or fee is calculated based upon a variety of factors including, but not limited to, order size and whether an order provides or removes liquidity. For the most common client orders executed on The Nasdaq Stock Market, TradeStation pays 0.0030/share for removing liquidity and receives 0.0015/share for adding liquidity. For more detailed information, please see the exchange's fee schedule <https://www.tradestation.com/important-information/sec-rule-606-report-exchange-fees/>

Cboe EDGX Exchange, Inc.:

TradeStation receives a rebate or is charged a fee for order flow on a per share basis. The per share rebate or fee is calculated based upon a variety of factors including, but not limited to, order size and whether an order provides or removes liquidity. For the most common client orders executed on Cboe EDGX Exchange, TradeStation pays 0.0030/share for removing liquidity and receives 0.0017/share for adding liquidity. Material Aspects:

DASH/IMC:

For the quarter, TradeStation arranged with DASH/IMC for a cash payment of \$0.55 per contract for single leg and \$0.65 per contract for multi-leg orders. TradeStation established the same per share rate, based on order type, with all non-exchange routing venues to which it routed orders. TradeStation does not receive payment for options orders for symbols QQQ and SPY of 1000 contracts or greater.

TradeStation's arrangement with DASH/IMC is not based, in any respect, on volume thresholds.

Execution quality and price improvement opportunities are influenced by a number of factors, including but not limited to, payment for order flow, market volatility, market volume, economic factors and the firm's mix of symbols traded. In connection with Dash's handling of TradeStation's retail equity option orders, Dash has arrangements with multiple unaffiliated liquidity providers, including IMC, designed to facilitate liquidity provision and price improvement opportunities. Pursuant to these arrangements, Dash routes TradeStation's retail equity option orders to exchanges and preferences the liquidity providers consistent with exchange sponsored programs which are described in the fee schedules of the options exchanges. It is noted that these liquidity providers provide Dash with remuneration in connection with TradeStation's retail equity options orders, including reciprocal order flow consideration or payment per contract in return for TradeStation's retail equity options orders that Dash routes or directs.

Citadel Securities, LLC:

For the quarter, TradeStation arranged with Citadel Securities, LLC for a cash payment of \$0.55 per contract for single leg and \$0.65 per contract for multi-leg orders. TradeStation established the same per share rate, based on order type, with all non-exchange routing venues to which it routed orders. TradeStation does not receive payment for options orders for symbols QQQ and SPY of 1000 contracts or greater.

TradeStation's arrangement with Citadel Securities, LLC is not based, in any respect, on volume thresholds.

Execution quality and price improvement opportunities are influenced by a number of factors, including but not limited to, payment for order flow, market volatility, market volume, economic factors and the firm's mix of symbols traded.

Wolverine Execution Services, LLC:

Material Aspects:

DASH/IMC:

For the quarter, TradeStation arranged with DASH/IMC for a cash payment of \$0.55 per contract for single leg and \$0.65 per contract for multi-leg orders. TradeStation established the same per share rate, based on order type, with all non-exchange routing venues to which it routed orders. TradeStation does not receive payment for options orders for symbols QQQ and SPY of 1000 contracts or greater.

TradeStation's arrangement with DASH/IMC is not based, in any respect, on volume thresholds.

Execution quality and price improvement opportunities are influenced by a number of factors, including but not limited to, payment for order flow, market volatility, market volume, economic factors and the firm's mix of symbols traded. In connection with Dash's handling of TradeStation's retail equity option orders, Dash has arrangements with multiple unaffiliated liquidity providers, including IMC, designed to facilitate liquidity provision and price improvement opportunities. Pursuant to these arrangements, Dash routes TradeStation's retail equity option orders to exchanges and preferences the liquidity providers consistent with exchange sponsored programs which are described in the fee schedules of the options exchanges. It is noted that these liquidity providers provide Dash with remuneration in connection with TradeStation's retail equity options orders, including reciprocal order flow consideration or payment per contract in return for TradeStation's retail equity options orders that Dash routes or directs.

Wolverine Execution Services, LLC:

For the quarter, TradeStation arranged with Wolverine Execution Services, LLC for a cash payment of \$0.55 per contract for single leg and \$0.65 per contract for multi-leg orders.
