

Account Number

To: TradeStation Securities, Inc.:

I/We wish to open a commodity futures and/or options on futures (hereinafter referred to as the "Account") with:

---

(Introducing Broker)

(hereinafter referred to as the "Introducing Broker" or "IB"). Because the IB is not a member of the various exchanges and may not be subject to exchange jurisdiction, I/we agree that my Account is to be carried with your firm on a fully disclosed basis. All documents must be appropriately completed and returned to TradeStation Securities, Inc. ("TradeStation") via my IB (along with margin funds) before an account can be opened in my name. Some of these forms are required by TradeStation, or by Federal laws, or exchange rules.

I/We understand that:

(i) The relationship between TradeStation and its employees on the one hand and the IB on the other hand is only to clear trades introduced to you by the IB; (ii) the IB is not controlled by TradeStation; (iii) supervision and control of activity in my Account rests with the IB, subject to exchange, government and CME regulations; (iv) commissions charged to my Account are established by the IB and that these charges include your fee for clearing my transactions, along with any applicable CME fees and other fees, including market data fees, as disclosed on your website.

I/We agree that TradeStation is not responsible nor can it be held liable for any reason whatsoever for any matter relating to sales practices, trading practices, errors in order entry or any similar or other matter, it being expressly understood, agreed and acknowledged by myself that TradeStation's sole responsibilities hereunder relate to the execution, clearing, accounting and confirmation of transactions for my account on various exchanges in accordance with the instructions received by TradeStation from IB for and on behalf of myself in accordance with usual and customary practices. I/We acknowledge that I/We will be making all of the trading decisions for the Account, however, I/We authorize IB to place non-discretionary orders in the Account at my direction from time to time, as needed. I/We agree to refrain from bringing any action or counterclaim against TradeStation and will assert any such claim against only the IB (or, when applicable, the non-employee commodity pool operator or commodity trading advisor) for any redress with respect to any matter other than TradeStation's gross negligence or willful misconduct in executing, clearing and/or accounting of transactions. With respect to TradeStation's guarantee, if any, of IB's obligations under the Commodity Exchange Act or CFTC regulations, I/we acknowledge that such guarantee is limited.
