# Important Information and Disclosures

This content is for educational and informational purposes only. Any symbols, financial instruments, or trading strategies discussed are for demonstration purposes only and are not research or recommendations. TradeStation companies do not provide legal, tax, or investment advice.

Past performance, whether actual or indicated by historical tests of strategies, is no guarantee of future performance or success. There is a possibility that you may sustain a loss equal to or greater than your entire investment regardless of which asset class you trade (equities, options, futures, or cryptocurrencies); therefore, you should not invest or risk money that you cannot afford to lose. Before trading any asset class, first read the relevant risk disclosure statements on [www.tradestation.com/important-information](http://www.tradestation.com/important-information).

Options trading is not suitable for all investors. Your TradeStation Securities' account application to trade options will be considered and approved or disapproved based on all relevant factors, including your trading experience. See <https://www.theocc.com/Company-Information/Documents-and-Archives/Options-Disclosure-Document>. Visit [www.TradeStation.com/Pricing](http://www.TradeStation.com/Pricing) for full details on the costs and fees associated with options.

# Important Information and Disclosures

System access and trade placement and execution may be delayed or fail due to market volatility and volume, quote delays, system and software errors, Internet traffic, outages and other factors.

Securities and futures trading is offered to self-directed customers by TradeStation Securities, Inc., a broker-dealer registered with the Securities and Exchange Commission (“SEC”) and a futures commission merchant licensed with the Commodity Futures Trading Commission (“CFTC”). TradeStation Securities is a member of the Financial Industry Regulatory Authority, the National Futures Association (“NFA”), and a number of exchanges. TradeStation Crypto, Inc. offers to self-directed investors and traders cryptocurrency brokerage services under federal and state money services business/money-transmitter and similar registrations and licenses.

# Important Information and Disclosures

Exchange Traded Funds (“ETFs”) are subject to management fees and other expenses. Before making investment decisions, investors should carefully read information found in the prospectus or summary prospectus, if available, including investment objectives, risks, charges, and expenses. The prospectus is available here: <https://www.tradestation.com/insights/etf-disclosures/>

Please see the “Standardized Returns” tab in the included workspace. Performance data shown reflects past performance and is no guarantee of future performance. The information provided is not meant to predict or project the performance of a specific investment or investment strategy and current performance may be lower or higher than the performance data shown. Accordingly, this information should not be relied upon when making an investment decision.

# Important Information and Disclosures

TradeStation Securities, Inc., TradeStation Crypto, Inc., and TradeStation Technologies, Inc. are each wholly owned subsidiaries of TradeStation Group, Inc., all operating, and providing products and services, under the TradeStation brand and trademark. TradeStation Crypto, Inc. offers to self-directed investors and traders cryptocurrency brokerage services. It is neither licensed with the SEC or the CFTC nor is it a member of NFA. When applying for, or purchasing, accounts, subscriptions, products and services, it is important that you know which company you will be dealing with.
